

FURRY FRIENDS KIDS' CAMPERS WILL LEARN:

This one day camp will include a curriculum focused on developing an attitude of respect, kindness, and compassion toward animals. Campers will develop these values in a hands-on learning environment. Crafts and activities will be provided. In this session, campers will learn responsible pet care, safety around pets, and the importance of reducing pet overpopulation.

PARENTS:

For their safety, please escort your child into/from the shelter's community classroom before/after camp. Notify the check-in staff if anyone other than yourself will be picking up your child. As both indoor and outdoor activities may be planned (pending weather), we recommend sunscreen be applied. Sturdy closed-toe shoes are to be worn.

*Please pack a lunch and drink for your child. Dessert will be provided.
Please list any food allergies on the registration form.*
